In the event of Cup matches, the opposition will be awarded the match.
- 7 Any team being unable to finish a season's fixtures will automatically have all their playing records removed from the League. If a team has completed one half of the season, these results will stand. All registration fees will be forfeited.

POSTPONEMENT OF MATCHES

- 8 Any team wishing to postpone a League match, must give at least 6 days' notice to the opposition. The Fixtures Secretary must be immediately notified of an agreed postponement. If the Fixtures Secretary is not informed of the postponement, the initiating team will lose 3 points and the match will be awarded to the opposition – 5-0 for men and 4-0 for ladies. It is in the Fixture Secretaries discretion to allow unavoidable postponements at less than 6 days' notice without penalty, due to extreme and exceptional circumstances, and may refer to the Committee for a decision if

necessary.

- 9 All re-arranged matches must be played within 6 weeks of the postponement. Matches postponed with less than 6 weeks before the final match of the season in the respective men's/ladies' leagues are to be played before the final match.

- 11 Knock Out Cup and Shield matches cannot be postponed to a later date. If a team withdraws from the Knockout Cup first round, then that team will be disqualified from entering the Knockout Shield.

Amendment – 2023

MATCHES

- 12 The Captain, as registered with the League, is responsible for carrying out the draw on match night and signing the Result Card, regardless of whether the captain plays in the match. Should the Captain not be present, then the acting Captain must be notified to the opposition prior to the commencement of the match and will take on the captain's duties on the night.
- 13 All matches to commence at 8.30pm, and the Result Card to be filled in before play commences, using the players usual signatures, and printing their name. Players to be drawn by the 2 team Captains before the match commences, using players names or initials. Numbers must not be used. A referee to be appointed by the home team Captain before the match commences and notified to the opposition.

Amendment – 2023 (Men's Leagues Only)

Once the draw has been done and a player has to leave early and is on last, they can be moved to play earlier and those who were drawn to play either first or second can be moved to play last.

- 14 Any team failing to supply a full number of players at commencement of play, will automatically lose the legs of the defaulting players concerned. In the event of both teams having a shortage of players, the captains will play off, only if the match ends in a draw on games. If the Captain is not present, then the acting Captain will take part in the play off. The legs in the captain's play off will count towards the overall legs total.

Amendment - 2022

From 2022/23 season, all ladies teams are to play 5 singles/2 pairs in all matches including Knock-Out Cup

Amendment – 2023 (Ladies Leagues Only)

- 15 A moving cheese or pin may only be stopped by the player throwing, or his teammate in the Woodyard. If any member of the opposition stops a moving cheese or pin, then the leg will be awarded to the player throwing.
- 16 After the match, the Result Card must be completed, with the result of the match being clearly stated on the card. The Result Card to be signed by both Captains and the referee, confirming the result is correct. This result will subsequently stand in all cases. The result card to be posted or delivered to the Fixture Secretaries address by the winning team. These to be received by no later than:
- 8.30am on the Saturday after the game for the ladies.
 - 8.30am on the Monday after the game for the men.

Winning teams not complying with this rule will have 3 points deducted from their existing points total, with the legs being awarded as per the Result Card, unless no Results Card is received. Non-receipt of the Result Card will result in 3 points being deducted from the winning teams existing points and the games being awarded 5-4 men & 4-3 ladies.

Note: it is the winning team's responsibility for the Result Card.

- 17 For League matches, 2 points will be awarded to the team that wins the most games. 1 point will be awarded to the team with the highest total number of legs from each individual game. In the case of a tie on legs, there is no play off for the 1 point, so only 2 points are awarded for the win on games.
